

James Morrison - Precious Love

Tom: C

(intro) C Bm Am F C

C Bm
I was so lost
Am
Didn't know what to do with myself
F
I was my own worst enemy
C
I was lost and know I needed help
Bm
Then you came along
Am
And saw the state I was in
F
You picked me up where I was down
C
Show me how to live again
F Em
I said thank you for pulling me through
Dm C
I'm a lucky man
F Em
I didn't know what life was
Dm G
But now I, I understand

F Em
This is precious love, precious love
Dm C
No I can't let it go
F
It's this precious love
Em Dm C
And it's teaching me everything I need to know
F Em
This is precious love, it's precious love
Dm C
No I can't get enough
F
Oh I'm down on my knees
Em
Begging you please
Dm C
Gimme some more of that stuff

F Em Dm C
Oh it's love love love love love, precious love (2x)

C Bm Am
Oh I got so distracted by people all around
F
Whispering sweet nothings.
C
Feeling my head with doubt

C
So I give up
Bm Am
It didn't take long for me to see
F
The one thing that I was missing
C
Was standing in front of me
F
I took you for granted
Em Dm C
Thought the grass was greener on the other side
F Em
I was wrong and it took me so long
Dm G
For me to finally realize

(refrão)

Em
I say a prayer
Am
I say it to you
Em Am
That my heart will always be true
F E7
Love won't be the same without you

F Em
So I say thank you, hmm
Dm C
I'm a lucky man
F Em
I didn't know what life was
Dm G
But now I, now I understand, Understand, understand

F Em Dm C
This is love love love love, precious love
F
This is precious love
Em Dm C
And it's teaching me to be a better man
F Em
This is precious love, precious love
Dm C
Oh I can't get enough
F
Oh I'm down on my knees
Em
Begging you please
Dm C
You must be from heaven above

F Em Dm C
This is love love love love love, precious love (4x)
