

James Morrison - Too Late For Lullabies

Tom: Eb
Intro: Ab Fm Cm Eb

Ab Fm
It's a sad song that has no end

Cm Eb
It's a bleeding heart that never mends

Ab Fm
A minor miracle we can still pretend

Cm Eb
After so long

Ab Fm
Did the apple fall too far from the tree?

Cm Eb
Did we get lost in the space in-between?

Ab Fm
But the roots that we buried so deep

Cm Eb
Will always be strong

Ab Fm
Too late for lullabies

Cm Eb
Too soon for it alright

Ab Fm
Love takes its toll sometimes

Cm Bb Eb
Let's start a clean slate, mistakes are moments in time

Ab Fm
For every time you ever raised up your hand

Cm Eb
I'll give you mine to show you I understand

Ab Fm Cm
You taught me to fly by learning to fall

Eb
Ooo yeah

Ab Fm
Love burns when it's in the blood

Cm Eb
And God knows I burnt you the best I could

Ab Fm
How can three words be so misunderstood?

Cm Eb
We got it so wrong

Ab Fm
Yeah the greatest gift that you ever gave to me

Cm Eb
You don't know your strength 'till you've faced defeat

Ab Fm
So when everything's just out of reach

Keep holding on

Only bridges will cross this divide

We both know this road leads to nowhere
