

James Morrison - Undiscovered

Tom: G

I look at you, you bite your tongue
 You don't know why or where I'm coming from
 But in my head I'm close to you
 We're in the rain still searching for the sun
 You think that I want to run and hide
 That I keep it all locked up inside but I just want you to find me
 I'm not lost, I'm not lost, just undiscovered
 And when we're alone, we're all the same as each other
 You see the look that's on my face
 You might think I'm out place
 I'm not lost
 No no, just undiscovered
 Well the time it takes to know someone
 It all can change before you know it's gone
 So close your eyes and feel the way I'm with you now
 Believe there's nothing wrong
 You think that I want to run and hide
 That I keep it all locked up inside but I just want you to

find me
 I'm not lost, I'm not lost, just undiscovered
 And when we're alone, we're all the same as each other
 You see the look that's on my face
 You might think I'm out place
 I'm not lost
 No no, just undiscovered
 I'm not running, I'm not hiding
 But if you dig a little deeper, you will find me
 I'm not lost, I'm not lost, just undiscovered
 And when we're alone, we're all the same as each other
 You see the look that's on my face
 You might think I'm out place
 I'm not lost
 No no, just undiscovered
 I'm not lost, I'm not lost, just undiscovered
 And when we're alone, we're all the same as each other
 You see the look that's on my face
 You might think I'm out place
 I'm not lost
 No no, just undiscovered
