

James Morrison - You Make It Real For Me

Tom: C

Intro: (2x): Am G F C

There's so much craziness surrounding me
There's so much going on it gets hard to breathe
When all my faith has gone you bring it back to me
You make it real for me

When I'm not sure of my priorities
When I've lost sight of where I meant to be
Like holy water washing over me
You make it real for me

Refrão:

And I'm running to you baby
You are the only one who saved me
That's why I've been missing you lately
Cause you make it real for me

When my head is strong but my heart is weak
I'm full of arrogance and uncertainty
When I can't find the words you teach my heart to speak
You make it real for me yeah

Refrão:

And I'm running to you baby
You are the only one who saved me
That's why I've been missing you lately
Cause you make it real for me

Everybody's talking in words I don't understand
You got to be the only one who knows just who I am
You're shining in the distance I hope I can make it through
Cause the only place that I want to be is right back home with you

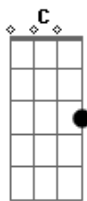

Refrão:

I guess there's so much more I have to learn
But if you're here with me, I know which way to turn
You always give me somewhere, somewhere I can run
You make it real for me

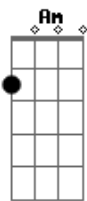

Refrão:

And I'm running to you baby
You are the only one who saved me
That's why I've been missing you lately
Cause you make it real for me
You make it real for me
