

James Smith - I Don't Wanna Know

tom:

Intro: G Am Em7 D

[Primeira Parte]

G Am Em7
Feels like we drove for a thousand miles
G Am Em7
I would play you the songs that I wrote about you
D C
I would sing you words that I would never say
D G C
Wish you'd never heard, if I'd known you wouldn't stay

[Refrão]

D Em D G C
I don't wanna know if you fall in love with someone new
Em D G C
If someone makes you happier than I could ever do
I don't wanna know
(G Am Em7 D)

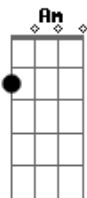

[Segunda Parte]

G Am Em7
Watching the stories upon my phone
G Am Em7
Seems like you found the one you want
D C
And it just breaks me down like the car we used to own
D C
Where our love was found, have you forgot about it all
