

# James Taylor - Another Day

Tom: E

Verso:

Wake up suzy  
 Put your shoes on  
 Walk with me into this light  
 Finally this morning  
 I'm feeling whole again  
 It was a hell of a night

Ponte:

Just to be with you by my side  
 Just to have you near in my sight  
 Just to walk a while in this light  
 Just to know that life goes on

Verso:

Wake up suzy  
 Put your shoes on  
 Walk with me into this light

Another night has gone  
 Life goes on  
 Another dawn is breaking

Turn and face the sun  
 One by one  
 The world outside is waking  
 Morning light has driven away  
 All the shadows that hide your way  
 And night has given away  
 To the promise of another day

Another day  
 Another chance that we may  
 Finally find our way

Another day  
 The sun has begun  
 To melt all our fears away  
 Another day  
 Another day

Oh wake up suzy  
 Put your shoes on  
 Walk with me into this light
