

James Taylor - Another Day

Tom: E

Verso:

Wake up suzy
 Put your shoes on
 Walk with me into this light
 Finally this morning
 I'm feeling whole again
 It was a hell of a night

Ponte:

Just to be with you by my side
 Just to have you near in my sight
 Just to walk a while in this light
 Just to know that life goes on

Verso:

Wake up suzy
 Put your shoes on
 Walk with me into this light

Another night has gone
 Life goes on
 Another dawn is breaking

Turn and face the sun
 One by one
 The world outside is waking
 Morning light has driven away
 All the shadows that hide your way
 And night has given away
 To the promise of another day

Another day
 Another chance that we may
 Finally find our way

Another day
 The sun has begun
 To melt all our fears away
 Another day
 Another day

Oh wake up suzy
 Put your shoes on
 Walk with me into this light
