

James Taylor - Brighten Your Night With My Day

Tom: G

(intro 4x) D G

D Bm Em A Gbm
Daybreak finds you up and alive

Bm G D (fill #1)
Just as though you could touch a star

D Bm Em A Gbm
But sunset seems to leave you weary alone

Bm G D
And wondering who you are

Gbm Bm Gbm Bm
Don't deny that lonely feeling babe

Em A D Gbm
That keeps stealing on you from deep down inside

Gbm Gbm Bm Em
Hey, can't you see that it's no good concealing

A Bm C
A feeling it hurts you to hide

(fill #2) Bm Gbm
When you can come home to me

Em A D
Yes, I'm happy to hear what you've got

Bm C
To say to me, baby, all the way

(fill #2) Bm Gbm
Girl, you can count on me

C A
Watch those shadows fade away

Em A (fill #3)
And brighten your night with my day

G A D Bm Em A
Daybreak, sunset hot and cold

D Gbm
Running smiles and tears

E A E A
A bright outside to match your foolish pride

D Bm C
But not a word for the lonely years

(fill #2) Bm Gbm
Please come back home to me

Em A
Now you won't have to say

D Bm C
That you'll stay with me, baby, no, it's not that way

(fill #2) Bm Gbm
Just come back home to me

C A
Watch those shadows fade away

Em A
And brighten your night with my...

(Same strumming as intro)

D G
Daybreak, sunset

D G
You don't have to cry no more

D G
Now, everything's gonna be just fine

D G
Watch out, baby, here it comes

D G
Right around the corner
Here it comes

D G (fill #3)
Just brighten your night with my day babe hey hey yeah yeah

(fill #1)

(fill #2) (fill #2 is played as a third,

(You can come home)

(fill #3)

(Emphasis on the bass notes)

Acordes
