

James Taylor - It's Growing

Tom: E

(com acordes na forma de Capotraste na 2ª casa (capo 2ª casa) D)

(solo)

(intro 4x) D G

Like a snowball rolling down the side of a snow covered hill
it's growing

Like the size of a fish that the man claims broke his reel
it's growing

Like a rosebud blooming in the warmth of the summer sun
it's growing

Like the tale by the time it's been told by more than one
it's growing

Everyday it grows a little more than it was on the day before

My love for you just grows and grows

Oh, how it grows and it grows

And where it's gonna stop I'm sure, nobody knows

D G D G D G 2/4 D 4/4 A

Hey, hey, hey, nobody knows

Wooo

Like a need of a guy to see his girl
When she's gone away, it's growing

Like the sadness in his heart

When he knows that she's gone to stay, it's growing

Everyday it grows a little bit more
than it was the day before

My love for you just grows and grows

Oh, how it grows and it grows

And where it's gonna stop I'm sure, nobody knows

Hey, hey, hey, nobody knows Nobody knows

Hey, hey, hey, nobody knows It's growing

My love for you just grows and grows

Oh, how it grows and it grows

And where it's gonna stop I'm sure, nobody knows

Hey, hey, hey, nobody knows

Hey, hey, hey, nobody knows
