

# James Taylor - You've Got A Friend

Tom: A

(intro)

When you're down and troubled  
 and you need a helping hand  
 and nothing,  
 nothing is going right  
 close your eyes and think of me and soon  
 I will be there  
 to brighten up even your darkest night

(refrão)

you just call out my name and you know wherever  
 I am I'll come running to see you again  
 Winter, spring, summer or fall all you

have to do is call and I'll be there  
 (yes I will) You've got a friend  
 If the sky above you should turn  
 dark and full of clouds and that old north  
 wind begin to blow  
 Keep your hair together and call my name  
 out loud/ Soon I'll be knocking upon your door

(refrão)

Now ain't it good to know that  
 you've got a friend when people can be so cold  
 they'll hurt you, yes, and desert you  
 They'll take your soul if you let them  
 Ooh, but don't you let them

(refrão)
