

James Taylor - You've Got A Friend

Tom: A

(intro)

When you're down and troubled
 and you need a helping hand
 and nothing,
 nothing is going right
 close your eyes and think of me and soon
 I will be there
 to brighten up even your darkest night

(refrão)

you just call out my name and you know wherever
 I am I'll come running to see you again
 Winter, spring, summer or fall all you

have to do is call and I'll be there
 (yes I will) You've got a friend
 If the sky above you should turn
 dark and full of clouds and that old north
 wind begin to blow
 Keep your hair together and call my name
 out loud/ Soon I'll be knocking upon your door

(refrão)

Now ain't it good to know that
 you've got a friend when people can be so cold
 they'll hurt you, yes, and desert you
 They'll take your soul if you let them
 Ooh, but don't you let them

(refrão)
