

James TW - Say Love

Tom: A

m Bbm Gb Db
 Falling down the seats in the back of my car
 Bbm Gb Db
 Got nowhere to be 'cause the world don't know where we are
 Bbm Gb Db
 Three A.M. and you're in my arms, all the drinks still wearing
 off
 Bbm Gb Db
 You look to me like I said something wrong, mmh

[Pré-Refrão]

Gb Db
 'Cause I opened my mouth
 Ab
 Now, we're both just sat in silence
 Gb Db Ab
 Frozen by three little words
 Gb Db Ab
 And there was something behind those eyes
 She was hiding
 Gb Db Ab
 She said, "I don't want this to hurt"

[Refrão]

Bbm Gb Db
 Just don't say love, say love, say love, say love, no
 Bbm Gb Db
 I've heard that word misused a thousand times before
 Bbm Gb
 I know that we don't have to dive in
 Db
 'Cause we got all of the time in the world
 Bbm Gb Db
 To say love, say love, say love, say love

Bbm Gb Db
 Heart disappeared from a sleeve, I should've known
 Bbm Gb Db
 It's still way too early to see where this could go
 Bbm Gb
 She said, "I'm not tryna be difficult
 Db
 And I've just never felt this before
 Bbm Gb Db
 I'm scared we might lose it all", mmh

[Pré-Refrão]

Gb Db Ab
 And closed it, that moment I found a silver lightning
 Gb Db Ab
 All I've been looking for

Gb Db Ab
 'Cause there was something behind those eyes
 That she was hiding
 Gb Db Ab
 She said, "It's nothing personal"

[Refrão]

Bbm Gb Db
 Just don't say love, say love, say love, say love, no
 Bbm Gb Db
 I've heard that word misused a thousand times before
 Bbm Gb
 I know that we don't have to dive in
 Db
 'Cause we got all of the time in the world
 Bbm Gb Db
 To say love, say love, say love, say love

[Ponte]

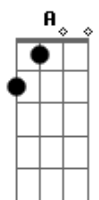

Ebm Gb
 I'm not gonna run away
 Bbm
 I'm not the type to leave you
 Db
 On your own, on your own, all on your
 Ebm
 I finally get what you're tryna say

[Refrão]

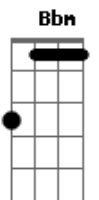

Bbm Gb Db
 Just don't say love, say love, say love, say love, no
 Bbm Gb Db
 I've heard that word misused a thousand times before
 Bbm Gb
 I know that we don't have to dive in
 Db
 'Cause we got all of the time in the world
 Bbm Gb Db
 To say love, say love, say love, say love

Bbm Gb Db
 Just don't say love, say love, say love, say love, no
 Bbm Gb Db
 I've heard that word misused a thousand times before
 Bbm Gb
 I know that we don't have to dive in
 Db
 'Cause we got all of the time in the world
 Bbm Gb Db
 To say love, say love, say love, say love
 Bbm Gb Db
 To say love, say love, say love, say love
 Bbm Gb Db
 Don't say love, say love, say love, say love
