

# Jamie Brown - May We Meet Again

tom:

Intro: G C G D

[Primeira Parte]

I haven't slept at night  
I should have stayed to fight  
Stayed with you  
I know you're not the enemy  
You seen the good that's left in me  
I should have stayed with you

[Pré-Refrão]

You said we deserve better than this  
I guess we do  
But how can the leader of the ground  
Love the leader of the skaikru

[Refrão]

May we meet again  
When I can trust my heart and not my brain  
Be safe and rescue your friends  
Then maybe we can meet again

( G Em C G D )

[Segunda Parte]

So if you go to the Capitol  
Maybe we can forget it all  
And you'll stay with me  
We won't have to be warriors  
We can let down our barriers  
And you can stay with me

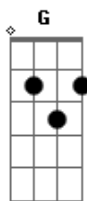

[Pré-Refrão]

You said we deserve better than this  
I guess we do  
But how can the leader of the ground  
Love the leader of the skaikru

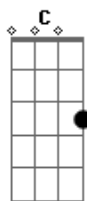

[Refrão]

May we meet again  
When I can trust my heart and not my brain  
Be safe and rescue your friends  
And may we meet again  
May we meet again  
[Final] Em C G G
