 Let me love you forever but right now, right now

Some fine day when we go walking  
 We'll take time for idle talking  
 Sharing every feeling as we watch each other smile  
 I'll hold your hand you'll hold my hand  
 We'll say things we never had planned  
 Then we'll get to know each other in a little while

But for now let me say I love you  
 Later on there'll be time for so much more  
 But for now meaning now and forever  
 Let me kiss you my darling then once more, once more
