

Jamie Cullum - I'm Glad There Is You

Tom: D
Intro: E B B7

Said I many times, love is
illusion
A feeling result of confusion
With knowing smile and blase sigh
A cynical so and so, am I
I feel so sure, so positive
So utterly unchangeably certain
Though I never was aware of loving you
'Til I suddenly realized there was love in you and oh
In this world of ordinary people
Extraordinary people
I'm glad there is you

In this world of overrated pleasures
And underrated treasures
I'm glad there is you
I live to love
I love to live with you beside me
This role, so new I'll muddle through
with you
If you'll guide me through
In this world where many play at love
And hardly any stay in love
I'm glad there is you
More than ever, you
Said I many times, love is illusion
