

Jamie Cullum - My Yard

Tom: **B**

Tabbed by: Mike Jelinek

Email:

Tuning: Standard

Intro: and Verse:

This 4 bar pattern is repeated throughout the verse.

Notes: the last phrase (the one above with 9-11 hammer on and pull offs) is slight improv, and sometimes Cullum alters phrase. The other phrase he often uses in that spot is shown below. Also the muted strings are played to give a soft rhythmic feel between chords, they are not forceful and intentional muted attacks by Cullum. The

third chord (**Dbm7**) is sometimes played x46454.

Chorus:

This 4 bar pattern is repeated throughout the chorus.

Notes: There would also be muted strums in this section, and the strumming is not always as I've written it. Listen to the song for the subtle changes from time to time of the strumming and the muted strums.
