And start all over again

Gonna read more books

Gonna keep up with the news

Gonna learn how to cook

And spend less money on shoes

I'll pay my bills on time

File my mail away, everyday

Only drink the finest wine

And call my Gran every Sunday

Well resolutions

Baby, they come and go

Will I do any of these things?

The answer's probably no

But if there's one thing, I must do

Despite my greatest fears

I'm gonna say to you

How I've felt all of these years
