Jamie Foxx - Fly Rio

```
                            tom:
                      D
Intro:

  Gbm7  Fm7  Em7  A7

D                          D7M
Wasn´t really thinking, wasn´t looking , wasn´t searching
    G  -  Gm
For an answer
Gbm7      -      F
In the moonlight
Em7                A7
When i saw your face

D                          D7M
Saw you looking at me, saw you peaking out from under
G    -    Gm
Moon beams
          Gbm7   -    F
Through the palm trees
        Em7            A7
Swaying in the breeze

    Bm                            G                Gm
I know that i´m feeling so much more than ever before
     Bm7                    G          Gm
And so i´m giving more to you that i though i could do
```

```
D                              D7M
Don´t know how it happened, don´t know why, but you don´t
                    G  -  Gm
Really need a reason
            Gbm7         F
When the stars shine
         Em7            A7
Just to fall in love

D                              D7M
Made the love each other, made to be together
             G   -   Gm
For a life time
 Gbm7   F
         Em7            A7
Flying in the sky

    Bm                            G                Gm
I know that i´m feeling so much more than ever before
     Bm7                 G          Gm
And so i´m giving more to you that i though i could do

D        G              Gm
    Now i know love is real
            Gbm7            F
So when the sky high, as the angels dry
        Em7     A7      G    Gm7    D
Letting you and I.....fly love
```
