

Jamily - Usei a fé (Without You)

Tom: E

(intro 2x) E

Quanto tempo andei sozinho

Sem consolo sem carinho

Era só mais um alguém na multidão

Um grito preso pronto pra rasgar o céu

Te chamar a... a...

A tristeza o retrato

Decorando o meu quarto

Nas paredes esse tom de solidão

Foi quando a música tocou meu coração

Usei a fé é... é...

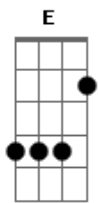

Jesus me fez acreditar de novo

Jesus que me fez tão capaz

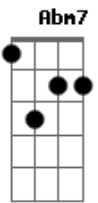

Jesus me fez acreditar na vida

Jesus me fez renascer
