

# Jammil e Uma Noites - Bola de Lã

Tom: G

Intro: G

Às vezes pareço meio enrolado

Mas faço de tudo estando ao seu lado

No frio me torno um casaco

Pra te aquecer

A sua beleza de gata felina

Com toda pureza, linda, feminina

São sete suas vidas

E a minha eu dou a você

Pode aparecer não me faça esperar

Eu e você juntos em qualquer lugar

Eu sou um novelo querendo se desenrolar

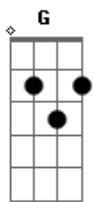

Meu bem você é gata

Eu sou bola de lã

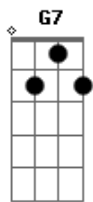

Vem brincar comigo

Todo dia de manhã
