Um cheiro bom que vem de lá da Argentina

Que eu comprei lá no Paraguai

Que eu botei no seu lençinho, menina

Que roubei um beijo e você querendo mais

Tem água de beber, tem água de tomar

Água de comer e água pra se envenenar

Lança, lança, lança, lança, lança seu olhar em mim

Lança, lança, se balance cuidado pra não cair

Depois segure a cabeça pra não perder o juízo

Não me responsabilizo se você ficar mal

Eu adoro o cheiro desse perfume

Mas segure o seu ciúme pois é carnaval
