So you think I'm alone, but being alone's the only way to be

Dm Am C G
When you step outside, you spend life fighting for your sanity

Chorus:
This is a cold war, you better know what you're fighting for
This is a cold war, do you know what you're fighting for

Dm Am C G
If you wanna be free, below the ground's the only place to be
Cause in this life, you spend time running from depravity

(chorus)
This is a cold war, you better know what you're fighting for
This is a cold war, do you know what you're fighting for
This is a cold war, you better know what you're fighting for
This is a cold war, do you know what you're fighting for

Am G
When wings of the weak can Bring grace to the strong
Dm Am
Make all evil stumble as it flies in the world
Am G
All the tribes come and the mighty will crumble

We must brave this night and have faith in love

Dm Am C G
I'm trying to find my peace, I was made to believe there's something wrong with me

And it hurt's my heart, Lord have mercy ain't it plain to see

This is a cold war, you better know what you're fighting for
