

# Janelle Monáe - Oh Maker

Tom: E

**E**  
I hear the drizzle of the rain  
**Dbm**  
It's falling from my window  
**Gbm**  
And in the corners of my mind  
**B**  
I hope that I'll get to see you again  
**E**  
La da die da die da die da die my friend  
I heard the colors in the flowers  
**Dbm**  
Ooh ooh ooh ooh ooh ooh  
**Gbm**  
Just like the candle snugged at dawn  
**B**  
You're here, you're near, you're there and then you're gone  
La da die da die da die da die

Refrão:

**Gbm** **B**  
Suffering in sinking sand, all the hurt  
**Abm** **Dbm**  
See I'm really lost baby, we suffered a rare, rare blue  
**Gbm** **B**  
So much hurt, on this earth

**Abm** **Dbm**  
But you loved me, and I really dared to love you too  
**Gbm**  
Perhaps what I mean to say is  
**B** **E**  
Is that it's amazing that your love was mine  
**E**  
Oh, Maker tell me did you know  
**Dbm**  
This love would burn so yellow  
**Gbm**  
Becoming orange and in its time  
**B**  
Explode from grey to black then bloody wine  
La da die da die da die da die  
**E**  
Oh, Maker have you ever loved?  
**Dbm**  
Or known just what it was?  
**Gbm**  
I can't imagine the bitter end  
**B**  
Of all the beauty that we're living in?  
(Refrão)  
( **Gbm** **B** **Abm** **Db** ) (2x)

## Acordes
