

Janet Jackson - Again

Tom: G

I heard from a friend today
 And she said you were in town
 Suddenly the memories came back to me in my
 Mind

How can I be strong I've asked myself
 Time and time I've said
 That I'll never fall in love with you again

A wounded heart you gave
 My soul you took away
 Good intentions you had many
 I know you did
 I come from a place that hurts
 And God knows how I've cried
 And I never want to return
 Never fall again

Making love to you
 Oh it felt so good and
 Oh so right

How can I be strong I've asked myself
 Time and time I've said
 That I'll never fall in love with you again

So here we are alone again

Am F G
 Didn't think it'd come to this
 And to know it all began
 With just a little kiss
 I've come too close to happiness
 To have it swept away
 Don't think I can take the pain
 No never fall again

Kinda late in the game
 And my heart is in
 Your hands

Don't you stand there and then
 Tell me you love
 Me then leave again
 'Cause I'm falling in love with
 You again

Hold me
 Hold me
 (C G Am C)

Don't ever let me go
 Say it just one time
 Say you love me
 God knows I do
 Love you
 Again
