(VERSO):

Whoa, won't you let me hold you?
Honey, just close your eyes.

Whoa, won't you let me hold you, dear?
I want to just put my arms around ya, like the circles going
'round the sun.
Let me hold you daddy, at least until the morning comes.

(REFRÃO):

Because it
Can't be now
Oh no
Can't be now
Oh no
Can't be now
Oh no
Can't be now
Oh no
Can't be this loneliness
Baby, surrounding me.
No, no, no it just can't be.
No it just can't be
Oh, baby, baby, baby, baby, just can't be.
No, no, no
No it just can't be

And why can't anyone ever tell me, now
No it just can't be
I wake up one morning, I realize
No it just can't be
Whoa, it can't be.
No it just can't be
Now go!

Whoa, I need a man to love me
Oh, maybe you can help me, please.
Why, I need a man to love.
But I believe that someday and somehow it's bound to come
along
Because when all my dreams and all my plans just cannot turn
out wrong.

You know it
Can't be now Oh no
Can't be now Oh no
Can't be now Oh no
Can't be now Oh no
Can't be now Oh no
Can't be just loneliness
Baby, surrounding me

No, no, no, it just can't be
No it just can't be
Oh, baby, baby, baby, baby, it just can't be
No it just can't be
And who could be foolin' mu?
No it just can't be
I've got all this happiness
No it just can't be
Come, come, come on, come on, come on, and help me now.
No it just can't be
Please, can't you hear my cry
No it just can't be
Whoa, help...
