

# Jão - Paranoid

tom:

F (forma dos acordes no tom de C )

Capostrate na 5ª casa

Call my mother, call my mother now  
 I'm laying on the couch like I am six feet under  
 Just lay something on my feet  
 I see you everywhere now  
 In every billboard, every corner  
 I tiptoe at the edge of a cliff  
 'Cause I see your face in the water

I being paranoid?  
 I tried to leave it all behind  
 I really tried  
 But I go to places, I see them changing  
 I go sit by your front door  
 Drinking something with an empty stomach  
 How can I know for sure?  
 If the pain is real, then why can't I find the cure?

I see colors never seen before  
 Are these people smiling or  
 Are they praying I get over you  
 I write down almost everything

'Cause all that's left of me is what's left of our memory  
 And I can see you everywhere now

I being paranoid?  
 I tried to leave it all behind  
 I really tried  
 I go to places, but now I'm famous  
 I can't sit by your front door  
 Drinking something with an empty stomach  
 How can I know for sure?  
 If the pain is real, then why can't I find the cure?  
 The cure  
 Ah-ah-ah (talk to me)  
 Ah-ah-ah (I don't need)

I'd search you in all of my lives  
 Just stay a while  
 It would be like to live a great  
 Story with the love of my life  
 I see you everywhere these days  
 Why can't you recognize my face anymore?  
 If the pain is real, then why can't I find the cure?  
 Hmm
