

# Jards Macalé - Obstáculos

Tom: B

m

Intro: Bm Bm

Entre vidros e cascalhos  
 Entre espinhos e vergalhos  
 Vou levando a vida assim

Tem montanhas, obstáculos  
 Tem predreiras não derrapo  
 Tenho mesmo que seguir

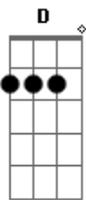

Entre vidros e cascalhos  
 Entre espinhos e vergalhos  
 Vou levando a vida assim

Tem montanhas, obstáculos  
 Tem predreiras não derrapo  
 Tenho mesmo que seguir

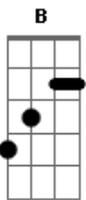

Não piso com força ou piso?  
 Piso sempre devagar  
 E por mais que eu me esquive  
 Num precipício posso terminar

Será preciso cuidado  
 Pra que eu possa continuar  
 Cuidado  
 Pra que eu possa continuar
