

Jaskier - Her Sweet Kiss

tom:

G

The "fairer sex", they often call it

Bm

Gbm

But her love's as unfair as a crook

It steals all my reason

E

Commits every treason

Of logic, with naught but a look

A

Gbm

A storm breaking on the horizon

Bm

Gbm

Of longing and heartache and lust

She's always bad news

E

It's always lose, lose

So tell me love, tell me love

A

How is that just?

But the story is this

She'll destroy with her sweet kiss

Her sweet kiss

Gbm

But the story is this

She'll destroy with her sweet kiss

Her current is pulling you closer

Bm

Gbm

G

And charging the hot, humid night

The red sky at dawn is giving a warning: "you fool"

E

A

Better stay out of sight"

Gbm

I'm weak my love, and I am wanting

Bm

Gbm

If this is the path I must trudge

G

I welcome my sentence

E

Give to you my penance

Garrotter, jury and judge

A

Gbm

But the story is this

G

She'll destroy with her sweet kiss

E

Bm
