

# Jasmine Thompson - Old Friends

tom:

Intro: Eb Ab Cm Bb

[Primeira Parte]

People who matter don't mind  
 They don't need all of my time  
 Somebody told me to light up every room  
 Make them remember you  
 But nobody here knows what I'm going through  
 No they never do

[Chorus]

I miss my old friends  
 'Cause they know when I need them the most  
 I made some new friends and they cool friends  
 But they don't know  
 What I do, what I got, who I am and who I'm not  
 I miss my old friends  
 I miss my old friends

[Verse 2]

I miss the good times we had  
 Now I don't know who's got my back  
 And somebody told me to light up every room  
 Make them remember you  
 But nobody here knows what I'm going through  
 No they never do

[Chorus]

I miss my old friends  
 'Cause they know when I need them the most  
 I made some new friends and they cool friends  
 But they don't know

What I do, what I got, who I am and who I'm not  
 I miss my old friends  
 I miss my old friends  
 I miss my old friends

[Bridge]

Hey now, hey now  
 I know everybody changes  
 Hey now, hey now  
 I just want familiar faces  
 Oh hey now, hey now  
 Growing up can be amazing  
 But it can even break your heart

[Chorus]

I miss my old friends  
 When I need them the most  
 I miss my old friends  
 I miss my old friends  
 'Cause they know when I need them the most  
 I made some new friends and they cool friends  
 But they don't know  
 What I do, what I got, who I am and who I'm not  
 I miss my old friends  
 I miss my

[Final]

(I miss my old friends, my old friends I miss)  
 I miss my old friends  
 (I miss my old friends, my old friends I miss)  
 What I do, what I got, who I am and who I'm not  
 I miss my old friends  
 I miss my old friends

## Acordes
