

Jasmine Thompson - Old Friends

tom:

Intro: Eb Ab Cm Bb

[Primeira Parte]

People who matter don't mind
 They don't need all of my time
 Somebody told me to light up every room
 Make them remember you
 But nobody here knows what I'm going through
 No they never do

[Chorus]

I miss my old friends
 'Cause they know when I need them the most
 I made some new friends and they cool friends
 But they don't know
 What I do, what I got, who I am and who I'm not
 I miss my old friends
 I miss my old friends

[Verse 2]

I miss the good times we had
 Now I don't know who's got my back
 And somebody told me to light up every room
 Make them remember you
 But nobody here knows what I'm going through
 No they never do

[Chorus]

I miss my old friends
 'Cause they know when I need them the most
 I made some new friends and they cool friends
 But they don't know

What I do, what I got, who I am and who I'm not
 I miss my old friends
 I miss my old friends
 I miss my old friends

[Bridge]

Hey now, hey now
 I know everybody changes
 Hey now, hey now
 I just want familiar faces
 Oh hey now, hey now
 Growing up can be amazing
 But it can even break your heart

[Chorus]

I miss my old friends
 When I need them the most
 I miss my old friends
 I miss my old friends
 'Cause they know when I need them the most
 I made some new friends and they cool friends
 But they don't know
 What I do, what I got, who I am and who I'm not
 I miss my old friends
 I miss my

[Final]

 (I miss my old friends, my old friends I miss)
