

Jason Aldean - You Make It Easy

Tom: D

(forma dos acordes no tom de B)
Capostrate na 3ª casa

Like a rainy Sunday morning makes me wanna
 stay in bed, twisted up all day long
 You're my inspiration girl you take me places
 put the words right into these songs
 Stealin' kisses undercover babe
 I see forever when I see your face
 And I swear God made you for me.

You make it easy
 Lovin' up on you
 Make it easy
 With every little thing you do
 You're my sunshine in the darkest days
 My better half, my saving grace
 You make me who I wanna be
 You make it easy

You took off my rough around the edges
 Never let it ruffle up your feathers, angel
 Yeah I'm down for life you got me wrapped around your

finger and I like it just in case you can't tell.

You make it easy
 Lovin' up on you
 Make it easy
 With every little thing you do
 You're my sunshine in the darkest days
 My better half, my saving grace
 You make me who I wanna be
 You make it easy
