

Jason Crabb - Sometimes I Cry

Tom: B
Intro: B Dbm E B

I look the part
Blend in with the rest of the church crowd
I know the routine
I can list all the bible studies in town
Watch christian TV
I know all the preachers and their cliches
I've been born again, without a doubt I know I'm saved
But sometimes I hurt and sometimes I cry
Sometimes I can't get it right
No matter how hard that I seem to try
Sometimes I fall down
Stumble over my own disguise
But I try to look strong
As the whole world looks on
But sometimes alone I cry
I try to speak faith
Never give the old devil not, not even a inch to get in
I do worship and praise
Let everybody know just where that I stand
On the back of my old four wheel drive chevy

is a fish and a cross
For the world to see
'Cause I know my God is good, all of the time
Yes there's no doubt for me
But sometimes I hurt and sometimes I cry
Sometimes I can't get it right
No matter how hard that I seem to try
Sometimes I fall down
Stumble over my own disguise
But I try to look strong
As the whole world looks on
But sometimes alone I cry
