

# Jason Derulo - Goodbye

Tom: C

It's time to say goodbye  
 But don't leave me alone, just stay for the night  
 I need you, I need you tonight  
 Derulo

Ooh it's 3 in the morning  
 Why you wash all you for me?  
 One word in Español, bae  
 And I come and you know (what?, huh)  
 Girls in Haiti they throw it  
 In Jamaica they roll it  
 Girls in Spain do the mostest  
 But only you got my focus

Girl, I'm down for your love and  
 Down for my fatty, fatty  
 Down for your love and  
 Down for my naughty, naughty  
 Down for your love and  
 I'm giving you love and  
 Stay with me 'cause

It's time to say goodbye  
 But don't leave me alone, just stay for the night  
 I need you, I need you tonight  
 It's time to say goodbye  
 But don't leave me alone, just stay for the night  
 I need you, I need you tonight  
 Baby you know that is-

Dame solo un momento  
 Quiero sentir tu cuerpo (yeah, yeah, yeah)  
 Que ya no tengo tiempo  
 Tú y yo una noche de cuento (oui, oui, oui)  
 Y hablo francés like (sí, sí, sí)  
 Teis vigo gasoil de (chi, chi, chi)  
 Parlez vous Français (oui, oui, oui)  
 Síguelo, mami, dale

Girl, I'm down for your love and

Down for my fatty, fatty  
 Down for your love and  
 Down for my naughty, naughty  
 Down for your love and  
 I'm giving you love and  
 Stay with me 'cause

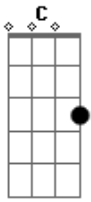

It's time to say goodbye  
 But don't leave me alone, just stay for the night  
 I need you, I need you tonight  
 It's time to say goodbye  
 But don't leave me alone, just stay for the night  
 I need you, I need you tonight  
 Baby you know what is-

Uh, tell 'em said "Papa and prim" (and prim)  
 A mermaid ting, and he wanna swim (he wanna swim)  
 A gyal bright so put them ice dim (they ice dim)  
 Ch-ch-chain heavy but I'm light skin (I'm light skin)  
 I pull up on 'em and let him put the pipe in (pipe in)  
 Then I gotta dash like a hyphen (hyphen)  
 I bring the cake let him lick the icing (icing)  
 Some little open-toes Stuart Weitzman  
 Advising, ye-yes this ties in (okay)  
 No-none of you hoes will ever see my pen  
 YSL Nicki boot, just to drive in  
 The way my foot ball, just give me the Heisman  
 Touchdown, touchdown, touchdown, touch-

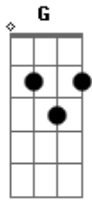

It's time to say goodbye  
 But don't leave me alone, just stay for the night  
 I need you, I need you tonight  
 It's time to say goodbye  
 But don't leave me alone, just stay for the night  
 I need you, I need you tonight

Papi Chulo  
 ¿Cuánto amas este culo?  
 Culo, culo  
 ¿Cuánto amas este culo?  
 Say goodbye, stay the night  
 One more time, one more time (rrrh)
