[Primeira Parte]

It's not the long, flowing dress  
That you're in  
Or the light coming off of your skin  
The fragile heart you protected for so long  
Or the mercy in your sense  
Of right and wrong  
It's not your hands searching slow  
In the dark  
Or your nails leaving love's watermark  
It's not the way you talk me off the roof  
Your questions like directions  
To the truth

[Refrão]

It's knowing that this can't go on forever  
Likely one of us will have to spend  
Some days alone  
Maybe we'll get forty years together  
But one day I'll be gone  
Or one day you'll be gone

[Segunda Parte]

If we were vampires and death was a joke

We'd go out on the sidewalk and smoke  
Laugh at all the lovers and their plans  
I wouldn't feel the need to hold your hand  
Maybe time running out is a gift  
I'll work hard 'til the end of my shift  
And give you every second I can find  
And hope it isn't me who's left behind

[Refrão]

It's knowing that this can't go on forever  
Likely one of us will have to spend  
Some days alone  
Maybe we'll get forty years together  
But one day I'll be gone  
Or one day you'll be gone
