

Jason Mraz - 93 Million Miles

Tom: D
Intro: D G7M Em

Primeira Parte:

D
93 million miles from the sun
People get ready, get ready
Cause here it comes G7M
It's a light a beautiful light
Em
Over the horizon into our eyes
D
Oh my my how beautiful
Oh my beautiful mother
She told me, son in life you're gonna go far G7M
Em
If you do it right A
You'll love where you are

Primeiro Refrão:

G7M Em
Just know, wherever you go
A D G7M Em
You can always come home

Segunda Parte:

D
240 thousand miles from the moon
We've come a long way to belong here G7M
To share this view of the night a glorious night
Em
Over the horizon is another bright sky
D
Oh my my how beautiful
Oh my irrefutable father
He told me, son sometimes it may seem dark G7M
Em
But the absence of the light
A

Is a necessary part

Segundo Refrão:

G7M Em
Just know, you're never alone
A D
You can always come back home
G7M Em
Home, Home
A Bm A G7M
You can always come ba_____ck

Terceira Parte:

Gbm7
Every road is a slippery slope
G7M
But there is always a hand
Gbm7
That you can hold on to
Looking deeper through the telescope
G7M
You can see that your
Ab A Bb
Home's inside of you
Terceiro Refrão:

G7M Em
Just know, that wherever you go
G7M
No you're never alone
A D
You will always get back home
G7M Em D
Home, Home, Home
G7M Em D
Oohhh... Oohhh... Oohhh...

Primeira Parte Final:

D
93 million miles from the sun
People get ready, get ready
Cause here it comes G7M
It's a light a beautiful light
Em D
Over the horizon into our eyes
