

# Jason Mraz - 93 Million Miles

Tom: D  
Intro: D G Em

Primeira Parte:

D  
93 million miles from the sun  
People get ready, get ready  
Cause here it comes  
It's a light a beautiful light  
Em  
Over the horizon into our eyes  
D  
Oh my my how beautiful  
Oh my beautiful mother  
G  
She told me, son in life you're gonna go far  
Em  
If you do it right  
A  
You'll love where you are

Primeiro Refrão:

G Em  
Just know, wherever you go  
A D G Em  
You can always come home

Segunda Parte:

D  
240 thousand miles from the moon  
We've come a long way to belong here  
G  
To share this view of the night a glorious night  
Em  
Over the horizon is another bright sky  
D  
Oh my my how beautiful  
Oh my irrefutable father  
G  
He told me, son sometimes it may seem dark  
Em  
But the absence of the light  
A

Is a necessary part

Segundo Refrão:

G Em  
Just know, you're never alone  
A D  
You can always come back home  
G Em  
Home, Home  
A Bm A G  
You can always come ba\_\_\_\_\_ck

Terceira Parte:

Gbm  
Every road is a slippery slope  
G  
But there is always a hand  
Gbm  
That you can hold on to  
Looking deeper through the telescope  
G  
You can see that your  
Ab A Bb  
Home's inside of you  
Terceiro Refrão:

G Em  
Just know, that wherever you go  
G  
No you're never alone  
A D  
You will always get back home  
G Em D  
Home, Home, Home  
G Em D  
Oohhh... Oohhh... Oohhh...

Primeira Parte Final:

D  
93 million miles from the sun  
People get ready, get ready  
Cause here it comes  
It's a light a beautiful light  
Em D  
Over the horizon into our eyes
