

Jason Mraz - All I Want For Christmas Is Us

Tom: G

(intro) D Am7 C G

(verse)

D What to give the girl who has everything

All i want for christmas you

Here's my list

I checked it twice

Wasn't good, wasn't bad

I was naughty and nice.

Had my eye on you all year long

And now i know fo sho

I wouldn't even have to try you on

No need for gift return.

(chorus)

It's gonna be a cold winter

But i wont need the heat to keep me warm

As long as you wrap yourself around me

On christmas mornin'

Whether it's now or later

As long as it's before you go

My love is always in your favor

And now you know that

All i want for christmas...

(verse)

Sweet like a candycane

Hanging from the tree

I will stripe you red and green

When you hit me like a sugar rush

Don't care for the other stuff

This season you're all that i need.

They say wishing for you

Is like wishing for snow in Southern California

But you know that i can prove them all wrong

Cause my love is true

I simply adore ya.

(chorus)

It's gonna be a cold winter

But i wont need the heat to keep me warm

As long as you wrap yourself around me

On christmas mornin'

Whether it's now or later

As long as it's before you go, you know

My love is always in your favor

And now you know that

All i want for christmas...

(verse)

I can't say that i've been good all year

I've making resolutions to get you here

And if it means being better than whatever, no sweat

Well I bet my halls that i deck for the cause

And Santa Claus, he knows what my intentions are

Even dismissing mistle toe

So I can get to know ya,

First of all we're singing: "Oh my god"

You're the reason that i decorate my yard

(chrorus)

It's gonna be a cold winter

But I wont need the heat to keep me warm

As long as you wrap yourself around me

On christmas mornin'

Whether it's now or later

As long it's before you go, you know

My love is always in your favor

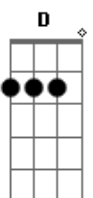

And now you know

That all i want for christmas...

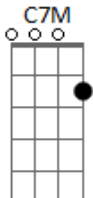

All i want for christmas...

Is us..
