So go look again G
You gotta be true to your own D
If you really wanna go to the top
Do you really wanna win F
Don't believe in leaving normal E E7
Just to satisfy demand

Well if you wanna get free Am
And if you wanna do the passionate thing E7

For the sake of your heart and all
You should own your name D
And stand up tall and get real F
And see the beauty in ugly E7
Well you are fresh Am

Don't forget you're one of a kind E7
When nobody's checking the deeds you've done G

Well if you wanna get free Am
And if you wanna do the passionate thing E7
