

Jason Mraz - Cannabis College

Tom: C

(intro) Em

(verse 1)

Registration starts at 8, don't be late or else
 That's 8 as in the evening time, classes begin around 9 or 12
 We'll study each and every flower, per credit hour
 Then all devour a box of krispy kreme

(pre-chorus)

So if you grow your knowledge tree
 hydroponically
 Then come with me, it is, it is, it is, to cannabis college

(chorus)

La la laa laa la la la laa
 La la laa laa la la la laa
 La la laa laa la la la laa
 La la laa laa la la la laa

(verse 2)

Instead of writing boring papers
 You'll be rolling all your tests and all your quizzes
 You'll be curing common glaucoma, convinced that you're acing
 physics
 You'll be setting quite a fine example, coring apples and
 carving cans
 You passed your first exam

(pre-chorus)

So if you take your notes and tokens
 Of signals made of smoke
 No joke it is, off you go to cannabis college

And in the basement lavatory they're teaching short-term
 memory
 Can anybody tell me where they're teaching short-term memory?

(chorus)

La la laa laa la la la laa
 La la laa laa la la la laa
 La la laa laa la la la laa
 La la laa laa la la la laa

(interlude/scat) Am7 Em7 Am7 B7

(verse 3)

Tell me have you met professor chong, he's been here who knows
 how long

(chorus)

His lectures often cover all the classics, from northern cal
 to oregon
 Throughout the days it's dr dre from the payphone era
 Of the dark side of the moon, and it's purple haze
 And some random acid tracks by patrick boone

(pre-chorus)

With thc, phds, a ba in euphoria
 Avoid the military, minoring in paranoia
 Job offers aplenty we got our gpas at 4 point 20
 get the blunted edge, a certificate that says
 I made it through college

(chorus)

La la laa laa la la la laa
 La la laa laa la la la laa
 La la laa laa la la la laa
 La la laa laa la la la laa
