

Jason Mraz - Don't Change At All

Tom: C

C7M F7M
Girls like you are supposed to cry

Dm G
To keep the seas from drying up

G
To keep the flowers sprouting year round

C7M F7M
And girls like you are the reason why

Dm
Guys like me still like to call themselves

F7M
Chivalrous and cavaliers

Dm
So don't change at all

G
I am at your call

C7M F7M
And I'm not that far from falling in love with who you are

Dm
I could get lost in this

G
Forgetting what caution is

C7M
I will be your gentleman

C7M F7M
And girls like you are a little off

Dm G
To keep the rising costs of being normal down

G
So we can afford all these freedoms that we've found

C7M F7M
And a girl like you is just a case

Dm
Dressed for space in your giant pair of shades

G
And your best can be worn at any length

Dm
Don't change too much

G
I haven't had quite enough

C7M F7M
I wanna get tangled up and sorted out

Dm
I could get lost in this

G
Forgetting what caution is

C7M
I will be your gentleman

(Dm7 Fm7 Dm7)
I'll be your gentleman
You don't even know how you struck me, girl
(Dm7 Fm7 Dm7)
No I'll never back down, nor will I turn around
You give me something more, you give me something more

(C7M F7M Dm G)

Dm
So don't change at all

G
I am at your call

CM7 F7M
And I'm not that far from falling in love with who you are

Dm
I could get lost in this

G
Forgetting what caution is

C7M
I wanna be your gentleman

Dm
So don't change for me

G
You're astonishing

C7M F7M
I wanna get tangled up, let's get tangled up

Dm
I could get lost in this

G
Forgetting what caution is

C7M
I wanna be your gentleman
