Intro: D Bm G A

May you have auspiciousness and causes of success  
 May you have the confidence to always do your best  
 May you take no effort in you being generous  
 Sharing what you can nothing more nothing less  
 And may you know the meaning of the word happiness  
 May you always lead with the beating in your chest  
 And may you be treated like an esteemed guest  
 May you get to rest let you catch your breath  
 May the best of your todays be the worst of your tomorrows,  
 woah  
 May the road less paved be the one that you follow, woah

Well, here's to the hearts that you're gonna break  
 Here's to the lives that you're gonna change  
 Here's to the infinite possible ways to love you  
 I want you to have it

Here's to the good times we're gonna have  
 You don't need money you've got a free pass  
 Here's to the fact that I'd be sad without you  
 I want you to have it all

Oh, I want you to have it all  
 I want you to have it  
 I want you to have it

May you be as fascinating as a slap bracelet  
 May you keep the chaos and the clutter off your desk  
 May you have unquestionable health and less stress  
 Having no possessions, though immeasurable wealth

May you get a gold star on your next test  
 May your educated guesses always be correct  
 And may you win prizes shining like diamonds  
 May you really own it each moment to the next

May the best of your todays be the worst of your tomorrows,

woah

May the road less paved be the one that you follow, woah

Well, here's to the hearts that you're gonna break  
 Here's to the lives that you're gonna change  
 Here's to the infinite possible ways to love you  
 I want you to have it

Here's to the good times we're gonna have  
 You don't need money you've got a free pass  
 Here's to the fact that I'd be sad without you  
 I want you to have it all

Oh, I want you to have it all  
 I want you to have it  
 I want you to have it all

All, I want you to have it all

All you can imagine, oh  
 No matter what your path is  
 If you believe it, then anything could happen

Go go go, raise your glasses  
 Go go go, you can have it  
 Oh, I toast you

Here's to the hearts that you're gonna break  
 Here's to the lives that you're gonna change  
 Here's to the infinite possible ways to love you  
 I want you to have it

Here's to the good times we're gonna have  
 You don't need money you've got a free pass  
 Here's to the fact that I'd be sad without you  
 I want you to have it all

Oh, I want you to have it all  
 I want you to have it  
 I want you to have it all (I want you to have it)

Here's to the good times we gonna have  
 (I want you to have it all)  
 Here's to you always making me laugh  
 (I want you to have it all)  
 Here's to the fact that I'll be sad without you  
 (I want you to have it all)  
 I want you to have it all
