Intro:

? ? ? ? ? ? ? ?

When I look into your eyes

It's like watching the night sky

Or a beautiful sun\_rise

There's so much they hold

And just like them old stars

I See that you've come so far

To be right where you are

How old is your soul?

I'm still looking up

And when you're needing your space

To do some navi\_gating

I'll be here patiently waiting

To see what you find

Refrão 2:

Cause even the stars, they burn

Some even fall to the earth

We got a lot to learn

God knows we're worthy

Terceira Parte:

I don't wanna be someone who walks away so easily

I'm here to stay and make the difference that I can make

Our differences they do a lot to teach us how to use

The tools, the skills we've got

Yeah we got a lot at stake

And in the end, you're still my friend

At least we didn't tend

For us to work we didn't break, we didn't burn

We had to learn how to bend

Without the world caving in

I had to learn what I got, and what I'm not

And who I am

Refrão:

I won't give up on us

Even if the skies get rough

I'm giving you all my love

I'm still looking up

I won't give up on us

God knows I'm tough, he knows

We got a lot to learn

God knows we're worthy

I won't give up on us

Even if the skies get rough

I'm giving you all my love

I'm still looking up
