

Jason Mraz - I Won't Give Up

tom:

A

When I look into your eyes A E
 It's like watching the night sky A E
 Or a beautiful sunrise A E
 Well, there's so much they hold B
 And just like them old stars A E
 I see that you've come so far A E
 To be right where you are A E
 How old is your soul? B

A2 A E
 Well, I won't give up on us
 Even if the skies get rough Dbm B
 I'm giving you all my love A2 A E
 I'm still looking up B

A E
 And when you're needing your space
 To do some navigating A E
 I'll be here patiently waiting A E
 To see what you find B

A2 A E
 'Cause even the stars, they burn Dbm B
 Some even fall to the Earth A2 A E
 We've got a lot to learn B
 God knows we're worth it A
 No, I won't give up

I don't wanna be someone who walks away so easily
 I'm here to stay and make the difference that I can make B
 Our differences, they do a lot to teach us A2
 How to use the tools and gifts we got, yeah B
 We got a lot at stake B
 And in the end, you're still my friend D
 At least, we did intend for us to work
 We didn't break, we didn't burn B
 We had to learn how to bend without the world caving in B
 I had to learn what I've got and what I'm not E
 And who I am

A2 A E
 I won't give up on us
 Even if the skies get rough Dbm B
 I'm giving you all my love A2 A E
 I'm still looking up B
 I'm still looking up A2
 I'm still looking up

A2 A E
 Well, I won't give up on us (no, I'm not giving up)
 God knows I'm tough enough (I am tough, I am loved) Dbm B
 We got a lot to learn (we're alive, we are loved) A2 A E
 God knows we're worth it (and we're worth it) B A2

A2 A E
 I won't give up on us
 Even if the skies get rough Dbm B
 I'm giving you all my love A2 A E
 I'm still looking up B
