

Jason Mraz - I'm Yours

Tom: B

(intro) B Gb Abm E B Gb Abm E

Well you done done me and you bet i felt it
 I tried to be chill but you're so hot that I melted
 I fell right through the cracks and now i'm trying to get back
 Before the cool done run out i'll be giving it my bestest
 And nothing's gonna stop me but divine intervention
 I reckon it's again my turn? to win some or learn some
 I won't hesitate no more
 no more it cannot wait i'm yours

(intro com solo)

Well open up your mind and see like me
 Open up your plans and then you're free
 Look into your heart and you'll find love love love
 Listen to the music of the moment people dance and sing
 we're just one big family, and
 It's your god-forsaken right to be love love loved love loved

(refrão)

So i won't hesitate no more
 no more it cannot wait i'm sure
 there's no need to complicate our time is short
 this is our fate i'm yours

(solo com vocalize 2x)

Do do do do do do do do

Do do do do do do do do

I've been spending way too long checking my tongue in the mirror
 And bending over backwards just to try to see it clearer
 But my breath fogged up the glass
 And so i drew a new face and i laughed
 I guess what i'm a saying is there ain't no better reason
 To rid yourself of vanities and just go with the seasons
 It's what we aim to do
 Our name is our virtue

(refrão)

I won't hesitate no more
 No more it can't i wait i'm sure
 There's no need to complicate our time is short
 (Well open up your mind and see like me, open up your plans
 and then you're free)
 It can't not wait i'm yours
 (Look into your heart and you'll find love love love)

I won't hesitate no more
 (Listen to the music of the moment come 'n dance with me i
 love one big family)
 No more it cannot wait i'm sure
 (It's your god-forsaken right to be love love loved love
 loved)

There's no need to complicate our time is short
 (Well open up your mind and see like me, open up your plans
 and then you're free)
 It can't not wait i'm yours
 (Look into your heart and you'll find love love love)
