

Jason Mraz - In Your Hands

Capostrate na 2ª casa

Ticket lines and places to dine
 Taking baths and drinking wine
 People ask, I say I'm doing fine
 But motorcycles and for sure the Eiffel Tower
 They were made for two
 A double bed has never felt so empty
 What's missing in the world is you

So I'll leave it in your hands now to come through
 I'll leave it in your hands now to come through
 I like climbing a mountain or climbing back into bed
 I love making breakfast for someone instead of me
 And taking autumn walks in Central Park
 They were made for two
 Afternoon naps have never felt so crappy

What's missing in my life is you

So I'll leave it in your hands now to come through
 I'll leave it in your hands now to come through
 I'll leave it in your hands now to come through
 I'm gonna leave it in your hands now to come through
 It's like diving into a pool without water
 And praying for rain
 Well, my life is a good life anyway
 What I have will do
 But when you're alone, you're living in a world with only choices
 And what I choose is you
 So I'll leave it in your hands now to come through
 I'll leave it in your hands now to come through
 I'll leave it in your hands now to come through
 I'll leave it in your hands now to come through
