

# Jason Mraz - Let's See What The Night Can do

Tom: G

<sup>G</sup> Let's drive out to the desert at midnight <sup>Em</sup>  
 And dance in the dust of our headlights <sup>C</sup>  
 And score some good seats for the sunrise <sup>G D</sup>  
 And get dress up in clothes we don't mind getting messed up <sup>Em</sup>  
 When no one would know how to get us <sup>C</sup>  
 We don't need the map we'll just drive drive drive <sup>G D</sup>

<sup>Em</sup> I wanna get lost with you <sup>C</sup>  
 And hideout out under the light of the moon <sup>D</sup>  
<sup>Em</sup> I wanna get lost with you <sup>C</sup>  
 And see what it's like to spend the whole night <sup>D</sup>  
 With you just you <sup>Em C</sup>  
 With you just you <sup>G D</sup>

<sup>G</sup> We could head north over the ocean of turquoises <sup>Em</sup>  
 Well after a while there'll be no noise <sup>C</sup>  
 Set for the sound of our heartbeats beat and on <sup>G D G</sup>  
 And we'll stand in the grand here alone <sup>Em</sup>  
 Singing our favorite songs <sup>C</sup>  
 And wait for the words to return to the echo echo echo echo <sup>G D</sup>  
 echo...

<sup>Em</sup> I wanna get lost with you <sup>C</sup>  
 And hideout out under the light of the moon <sup>G D</sup>

<sup>Em</sup> I wanna get lost with you <sup>C</sup>  
 And see what it's like to spend the whole night <sup>Am D</sup>  
 With you just you <sup>Em C</sup>  
 With you just you <sup>G D</sup>  
 With you just you <sup>Em C</sup>  
 With you just you <sup>G G</sup>  
 With you just you <sup>G G</sup>

<sup>F G</sup> And i, i wanna get lost <sup>F Am D D G</sup>  
 Let's see what the night can do <sup>Em</sup>  
 Let's see what the night can do <sup>C</sup>  
 Let's see what the night can do <sup>G</sup>

 I wanna get lost <sup>Em</sup>  
 Let's see what the night can do <sup>C</sup>  
 Let's see what the night can do <sup>G</sup>

 Let's see what the night can do <sup>D C</sup>  
 Let's see what our hearts wanna do <sup>Am</sup>  
 I wanna know what it's like to spend the whole night <sup>Em C</sup>  
 With you just you <sup>G D</sup>  
 With you just you <sup>Em C</sup>
