(verse)

I try to picture a girl  
Through a looking glass  
See her as a carbon atom  
See her eyes and stare back at them  
See that girl  
As her own new world  
Though a home is on the surface, she is still a universe  
Glory God, oh God is peeking through the blinds  
Are we all here standing naked  
Taking guesses at the actual date and time  
Oh my, justifying reasons why  
Is an absolutely insane resolution to live by

(refrão)

A

Live high  
Live mighty  
Live righteously  
Takin it easy  
Live high, live mighty  
Live righteously

(verse 2 - mesmos acordes do 1)

Try to picture the man  
To always have an open hand  
See him as a giving tree  
See him as matter  
Matter fact he's not a beast  
No not the devil either  
Always a good deed doer  
And it's laughter that we're makin after all

The call of the wild is still an ordination why  
And the order of the primates  
All our politics are too late  
Oh my, the congregation in my mind  
Is this assembly singing gratitude  
Practicing their lovin' for you

(refrão)

(bridge)  
Just take it easy  
And celebrate the malleable reality  
Nothing is ever as it seems  
This life is but a dream
