(verse)

I try to picture a girl A  
Through a looking glass Dbm  
See her as a carbon atom Bm  
See her eyes and stare back at them Dm  
See that girl A  
As her own new world Dbm  
Though a home is on the surface, she is still a universe Dm  
Glory God, oh God is peeking through the blinds A  
Are we all here standing naked D  
Taking guesses at the actual date and time Dm A  
Oh my, justifying reasons why Dbm  
Is an absolutely insane resolution to live by Dm

(refrão)

A

Live high Dbm Cm  
Live mighty Bm  
Live righteously Dm  
Takin it easy A Dbm Cm  
Live high, live mighty Bm Dm  
Live righteously

(verse 2 - mesmos acordes do 1)

Try to picture the man  
To always have an open hand  
See him as a giving tree  
See him as matter  
Matter fact he's not a beast  
No not the devil either  
Always a good deed doer  
And it's laughter that we're makin after all

The call of the wild is still an ordination why  
And the order of the primates  
All our politics are too late  
Oh my, the congregation in my mind  
Is this assembly singing gratitude  
Practicing their lovin' for you

(refrão)

(bridge)  
D2 Dm  
Just take it easy Dbm Bm  
And celebrate the malleable reality Dm  
Nothing is ever as it seems  
This life is but a dream
