

# Jason Mraz - Long Drive

Tom: G

Intro: G

Primeiro verso:

<sup>G</sup> Long drive, long night. The best night of my life.  
 With you, riding. Your hand on my hand.  
 The thought of arriving kind of feels like dying.  
 I don't want to go home and be alone.  
 Could we stay out, could you  
 Drive a little slower, don't matter where we're going.  
 As long as I'm with you. We can take the long way.

Segundo verso:

<sup>G</sup> Chevy Nova, front seat sofa.  
 Getting closer to you.  
 Drive a little slower, don't matter where we're going.  
 As long as I'm with you. We can take the long way.

Refrão:

Drive a little slower, not ready to go home,  
 I'd rather stay with you.  
 We can take the long way out.  
 To the country, out of town.  
 Let's get lost, I don't wanna be found.  
 Let's get away now.

And be careful not to crash.  
 There's no defrost and we're steaming the glass.  
 You and the road have a generous shoulder.  
 We can pull over and say we took the long way.

Variação:

Head lights, strobe lights.  
 I can see you, but not quite.  
 I can feel you inside.  
 The timing is just right.  
 The moment, I don't want to go home.

Refrão:

We can take the long way out.  
 Waoh Waoh Waohwaohwaoh  
 We can take the long way out.  
 Waoh Waoh Waohwaohwaoh  
 Drive a little slower, don't matter where we're going now.  
 Waoh.  
 Drive a little slower, don't matter where we're going now.  
 Waoh.  
 Drive a little slower, don't matter where we're going.  
 I'd rather stay with you, we can can take the long way.  
 Long drive, long night. The best night of my life.
