## Jason Mraz - Lucky

```
Tom: C
                                                           I'm lucky I'm in love with my best friend
                                                                     С
                                                                                       G
 (intro) <mark>C</mark>
                                                           Lucky to have been where {\tt I} have been
                                                                     Dm7
                                                                             G G
(verse)
                                                           Lucky to be coming home again
      С
                                                              Dm7
                           Am
                                                         Am
Do you hear me,I'm Talking to you Dm7 G
                                                           Lucky we're in love in every way
                                 F7
                                                                  C
                                                                                          G
                                                           Lucky to have stayed where we have stayed $\mathsf{Dm7}$ G G
Across the water, across the deep blue ocean
       Am
                Dm7
Under the open sky, oh my
                                                           Lucky to be coming home some day
      G
Baby I'm trying
                                                         (verse)
                                                                  С
                                                                                   Am
                                                         And so I'm sailing, through the sea Dm7 G
(verse)
C
                    Am
Boy I hear you in my dreams
                                                         To an island, where we'll meet
          Dm7
                                                                     E7
                                                                                    Am
I feel your whisper across the sea
                                                         You'll hear the music, fill the air
         E7
                                                                 Dm7 G
I keep you with me in my heart Dm7 G
                                                         I put a flower in your hair
                               Ab
You make it easier when life gets hard
                                                         (verse)
                                                                       C
(chorus)
                                                         And though the breezes through the trees
                                                          Dm7
                                                                                   G
                                                         Move so pretty, you're all I see
         Dm7
                                   G
Am
 I'm lucky I'm in love with my best friend
                                                             E7
                                                                        Am
                                                         As the world keep spinning round
Dm7 G At
            С
                            G Am
  Lucky to have been where I have been
                                                                                 Ab
                                                         You hold me right here, right now
         Dm7 G G
  Lucky to be coming home again
         Am Em G
                                                         (chorus)
                                                                  Dm7
  Ooooh ooh-oooooh ooh-ooooooh....
                                                           I'm lucky I'm in love with my best friend
(bridge)
                                                                    С
                                                                           G Am
                                                           Lucky to have been where I have been
Dm7
             Am
                            G
                                                                    Dm7 G G
  They don't know how long it takes Dm7
                                                           Lucky to be coming home again
                                                             -
Dm7
                                                                                 G
                                                           Lucky we're in love in every way
  Waiting for a love like this
                                                                                          G
                                                                    C
        Am
  Every time we say goodbye
                                                           Lucky to have stayed where we have stayed
             Dm7
                                                                  Dm7 G G
  I wish we had one more kiss
                                                           Lucky to be coming home some day
             Am
                                    G
                                         Am7
                                              G
  I'll wait for you, I promise you, I will
                                                         С
                                                                Am
                                                                         Em
                                                                                   G
                                                         oooooh oooh-ooooooh ooooh-ooooh
(chorus)
                                                              Am Em G
                                                                                          С
           Dm7
                                                         oooooh oooh-ooooooh ooooh-ooooh ooooh.....
